

INMARSAT PLC 2014 INTERNATIONAL SHARESAVE PLAN

2018 AND 2019 SHARE OPTIONS

This Letter is important and explains the impact of the Acquisition on your 2018 and/or 2019 share options and what you need to do. Please read it carefully.

You will need to make a decision about when you want to exercise your 2018 and/or 2019 share options. More detail is set out in this Letter but if you want to exercise at the earliest opportunity (on Court Sanction), the deadline for you to make your choice is 5 pm local time on 30 September 2019.

Please note that all unexercised 2018 and 2019 share options will lapse in full six months after Court Sanction (unless they lapse earlier in accordance with their terms) so if you do nothing, your 2018 and/or 2019 share options will lapse, you will receive no value for them and you will only keep your savings.

THIS LETTER IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. If you are in any doubt about the Acquisition or the contents of this Letter or what action you should take, you are recommended to seek your own personal financial, tax and legal advice immediately from your stockbroker, bank manager, solicitor, accountant or other independent financial adviser duly authorised under the Financial Services and Markets Act 2000 if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser in the relevant jurisdiction.

Dear Colleague

Acquisition of Inmarsat plc by Connect Bidco Limited: how it affects 2018 and 2019 International Sharesave Plan share options

As you know, Inmarsat and Bidco announced on 25 March 2019 that they had agreed the terms of a recommended acquisition of Inmarsat by Bidco.

This Letter tells you about the impact of the Acquisition on any 2018 and 2019 share options you hold under the International Sharesave Plan, the choices you have if the Acquisition proceeds and what you need to do. **Once you have made your choice, you will not be able to change it.**

At the back of this Letter you will find a definitions section which explains the key defined terms used in this Letter. A copy of this Letter can also be found on Inmarsat's website at <https://investors.inmarsat.com/offer-for-inmarsat>.

Proposal

Bidco is required by the Takeover Code to make an "appropriate proposal" to holders of 2018 and 2019 share options to safeguard their interests in the context of the Acquisition. The proposal is that you exercise any 2018 and 2019 share options you hold to the extent permitted under the International Sharesave Plan rules within six months after Court Sanction and receive USD 7.09 for each Inmarsat Share received on exercise.

Recommendation

The Inmarsat Board, which has been so advised by J.P. Morgan Cazenove, PJT Partners and Credit Suisse as to the financial terms of the proposal, considers the terms of the proposal set out in this Letter to be fair and reasonable in the context of the Acquisition. In providing their advice to the Inmarsat Board, J.P. Morgan Cazenove, PJT Partners and Credit Suisse have taken into account the commercial assessments of the Inmarsat Directors. PJT Partners is providing independent financial advice to the Inmarsat Directors for the purpose of Rule 15(b) of the Takeover Code.

The Inmarsat Board recommends that you accept the proposal as set out in this Letter. You should consider your own personal circumstances, including your tax position, when deciding your preferred timing for exercising any 2018 and 2019 share options you hold.

Questions

If you have any questions on the contents of this Letter, please contact shareplans@inmarsat.com but please be aware that no legal, tax, financial or investment advice on the Acquisition, the International Sharesave Plan or your choices can be provided by Inmarsat, Bidco or Equiniti.

IMPACT ON 2018 AND 2019 SHARE OPTIONS

1. When can I exercise my 2018 and/or 2019 share options?

If you have already left Inmarsat, please see question 11 below.

If you are still an employee of Inmarsat, you can exercise a proportion of any 2018 and 2019 share options using the savings you have made at the point of exercise. You can exercise during the period from the date of Court Sanction until six months after Court Sanction (unless the 2018 and 2019 share options lapse earlier under the International Sharesave Plan rules).

In all circumstances you will keep your savings and will only receive Inmarsat Shares representing your 2018 and/or 2019 share option gain. You must provide a copy of your bank statement to confirm you have made monthly payments to be able to exercise your 2018 and/or 2019 share options. If you have not made the required savings, your 2018 and/or 2019 share options will lapse.

Please note that Inmarsat may cash settle your 2018 and/or 2019 share options, but this will not impact the value of what you receive.

2. What are my choices?

You have two choices:

Choice 1: exercise a proportion of any 2018 and 2019 share options on Court Sanction

If you elect to exercise on Court Sanction, each of the Inmarsat Shares you receive on exercise of your 2018 and/or 2019 share options will be bought automatically by Bidco under the Acquisition. You will receive USD 7.09 in cash for each Inmarsat Share (subject to the deductions mentioned below).

The cost of exercising the 2018 and/or 2019 share options will be deducted automatically from the cash consideration paid to you, along with any income tax and social security which your employer is required to withhold. You will keep your savings.

To exercise a proportion of your 2018 and/or 2019 share options on Court Sanction, please complete the attached Form of Instruction and return the form by email to shareplans@inmarsat.com by no later than **5 pm local time on 30 September 2019**.

Choice 2: exercise a proportion of any 2018 and 2019 share options in the six months after Court Sanction

You can elect to exercise your 2018 and/or 2019 share options in the six months after Court Sanction (unless the 2018 and/or 2019 share options lapse earlier under the International Sharesave Plan rules). This will give you the chance to make more savings contributions and buy more Inmarsat Shares on exercise than would be the case if you select Choice 1. When you then exercise, each of the Inmarsat Shares you receive on exercise of your 2018 and/or 2019 share options will be bought automatically by Bidco. You will receive USD 7.09 in cash for each Inmarsat Share (subject to the deductions mentioned below).

The cost of exercising the 2018 and 2019 share options will be deducted automatically from the cash consideration paid to you, along with any income tax and social security which your employer is required to withhold. You will keep your savings.

When you wish to exercise, you will need to contact shareplans@inmarsat.com to request an exercise form.

If you do not submit an exercise form so it is received and processed within six months after Court Sanction, any 2018 and 2019 share options will lapse (unless they lapse earlier under the International Sharesave Plan rules) and you will receive no value for them. You will only keep your savings.

3. Can I make different choices for different share options?

Yes, if you hold share options granted in different years, you can choose to exercise each of those share options at different times. You do not have to exercise all your share options at the same time.

Any choice you make for an share option will apply to all of that share option.

4. How do I pay the income tax and social security?

Any income tax and social security that your employer is required to deduct will be deducted from the cash consideration payable to you by Bidco for the Inmarsat Shares you receive on exercise. Please refer to the separate Tax Summary.

5. When will I receive my cash consideration after I exercise my 2018 and/or 2019 share options?

For Choice 1, you will receive the cash consideration through your payroll (less deductions for the cost of exercising the 2018 and/or 2019 share options and income tax and social security required to be deducted by your employer) in the next practicable payroll run after the cash consideration has been paid by Bidco.

For Choice 2, please note that exercises will be processed in batches, usually on a monthly basis. You will receive the cash consideration through your payroll (less deductions for the cost of exercising the 2018 and/or 2019 share options and income tax and social security required to be deducted by your employer) in the next practicable payroll after your 2018 and/or 2019 share option exercise has been processed.

However, please note that for both Choices 1 and 2, if you elect to receive the cash consideration in USD or GBP (see question 6 below) your cash consideration will not be paid through payroll and will be paid to you directly.

6. Will I be able to choose which currency I receive the cash consideration in?

If you exercise your 2018 and/or 2019 share options on Court Sanction, you will receive the USD 7.09 per Inmarsat Share in your payroll currency unless you elect to receive the USD 7.09 per Inmarsat Share in USD or GBP. If you wish to elect to receive the USD 7.09 per Inmarsat Share in USD or GBP, please contact shareplans@inmarsat.com.

If you exercise your 2018 and/or 2019 share options after Court Sanction, you will receive the USD 7.09 per Inmarsat Share in your payroll currency unless you elect to receive the USD 7.09 per Inmarsat Share in USD. If you wish to elect to receive the USD 7.09 per Inmarsat Share in USD, please contact shareplans@inmarsat.com.

7. Will I receive any compensation?

Yes. Bidco has agreed to pay you a cash amount that reflects the number of additional Inmarsat Shares you would have received had you been able to save for another six months. We will take the total number of Inmarsat Shares under 2018 and 2019 share options, divide that number by 36 and then multiply it by 6. This number of Inmarsat Shares will then be multiplied by the difference between USD 7.09 and the exercise price of your 2018 and/or 2019 share options to give us the compensation amount payable to you.

The compensation amount will be paid through your payroll in the next practicable payroll after you exercise your 2018 and/or 2019 share options (less income tax and social security). Please see the Tax Summary for more detail.

If you do not exercise your 2018 and/or 2019 share options, you will not receive the cash compensation.

ACQUISITION SUMMARY

A copy of this Letter is also available on the same Inmarsat website.

For each Inmarsat Share sold to Bidco through the Scheme, an Inmarsat Shareholder will receive USD 7.09.

3. **When will the Acquisition take place?**

The date for Court Sanction has not yet been set but is still anticipated to occur in the fourth quarter of 2019. The timing of Court Sanction and the Acquisition completing (known as the Effective Date) will be announced when known.
