

**INMARSAT PLC 2014 UK SHARESAVE PLAN****2016 SHARE OPTION**

This Letter is important and explains the impact of the Acquisition on your 2016 share option and what you need to do. Please read it carefully.

You will need to make a decision about if and when you want to exercise your 2016 share option. More detail is set out in this Letter but if you want to exercise on Court Sanction, the deadline for you to make your choice is 5 pm UK time on 30 September 2019.

Please note that all unexercised 2016 share options will lapse in full on 31 January 2020 (unless they lapse earlier in accordance with their terms or later due to missed contributions) so if you do nothing, your 2016 share option will lapse, you will receive no value for it and your savings will be returned to you.

THIS LETTER IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. If you are in any doubt about the Acquisition or the contents of this Letter or what action you should take, you are recommended to seek your own personal financial, tax and legal advice immediately from your stockbroker, bank manager, solicitor, accountant or other independent financial adviser duly authorised under the Financial Services and Markets Act 2000 if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser in the relevant jurisdiction.

Dear Colleague

Acquisition of Inmarsat plc by Connect Bidco Limited: how it affects your 2016 UK Sharesave Plan share option

As you know, Inmarsat and Bidco announced on 25 March 2019 that they had agreed the terms of a recommended acquisition of Inmarsat by Bidco.

This Letter tells you about the impact of the Acquisition on the 2016 share option you hold under the UK Sharesave Plan, the choices you have if the Acquisition proceeds and what you need to do. **Once you have made your choice, you will not be able to change it.**

At the back of this Letter you will find a definitions section which explains the key defined terms used in this Letter. A copy of this Letter can also be found on Inmarsat's website at <https://investors.inmarsat.com/offer-for-inmarsat>.

Proposal

Bidco is required by the Takeover Code to make an "appropriate proposal" to holders of 2016 share options to safeguard their interests in the context of the Acquisition. The proposal is that you exercise the 2016 share option you hold to the extent permitted under the UK Sharesave Plan rules on Court Sanction and receive USD 7.09 for each Inmarsat Share received on exercise **PROVIDED** that the exercise price for the 2016 share option (GBP 5.68) is lower than USD 7.09 at the USD / GBP exchange on the date of exercise.

Recommendation

The Inmarsat Board, which has been so advised by J.P. Morgan Cazenove, PJT Partners and Credit Suisse as to the financial terms of the proposal, considers the terms of the proposal set out in this Letter to be fair and reasonable in the context of the Acquisition. In providing their advice to the Inmarsat Board, J.P. Morgan Cazenove, PJT Partners and Credit Suisse have taken into account the commercial assessments of the Inmarsat Directors. PJT Partners is providing independent financial advice to the Inmarsat Directors for the purpose of Rule 15(b) of the Takeover Code.

The Inmarsat Board recommends that you accept the proposal as set out in this Letter. You should consider your own personal circumstances, including your tax position, when deciding your preferred timing for exercising any 2016 share option you hold.

Questions

If you have any questions on the contents of this Letter, please contact shareplans@inmarsat.com but please be aware that no legal, tax, financial or investment advice on the Acquisition, the UK Sharesave Plan or your choices can be provided by Inmarsat, Bidco or Equiniti.

IMPACT ON YOUR 2016 SHARE OPTION

1. When can I exercise my 2016 share option?

If you have already left Inmarsat, please see question 12 below.

If you are still an employee of Inmarsat, you can exercise your 2016 share option now or as part of the Acquisition.

You should consider carefully whether to exercise your 2016 share option now or as part of the Acquisition, as there is no guarantee that the exercise price for your 2016 share option (GBP 5.68) will be lower than USD 7.09 at the USD / GBP exchange rate on or after Court Sanction. If you elect to exercise on or after Court Sanction and, on the date of exercise, the exercise price for your 2016 share option is higher than USD 7.09 at the USD / GBP exchange rate, the exercise will not be processed and will be carried over until the next exercise window. This carry over will continue, for as long as exercise price for your 2016 share option is higher than USD 7.09 at the USD / GBP exchange rate, until your 2016 share option lapses on 31 January 2020.

2. What are my choices?

You have three choices – the choice you make will impact how you are taxed when you exercise your 2016 share option (see questions 3 and 4 below and the Tax Summary for more detail):

Choice 1: exercise your 2016 share option on Court Sanction

If you elect to exercise on Court Sanction, each of the Inmarsat Shares you receive on exercise of your 2016 share option will be bought automatically by Bidco under the Acquisition. You will receive USD 7.09 in cash for each Inmarsat Share.

To exercise your 2016 share option on Court Sanction, please complete the attached Form of Instruction and return the form by email to shareplans@inmarsat.com by no later than **5 pm UK time on 30 September 2019**.

Choice 2: exercise your 2016 share option after Court Sanction and before 31 January 2020

You can elect to exercise your 2016 share option after Court Sanction and before 31 January 2020 (unless it lapses earlier under the UK Sharesave Plan rules or later due to missed contributions). However, it will affect your tax position and you will receive less overall than you would have done if you had exercised on Court Sanction. When you then exercise, each of the Inmarsat Shares you receive on exercise of your 2016 share option will be bought automatically by Bidco. You will receive USD 7.09 in cash for each Inmarsat Share (less any income tax which your employer has agreed to withhold).

When you wish to exercise, you will need to contact shareplans@inmarsat.com to request an exercise form.

If you do not submit an exercise form so it is received and processed by 31 January 2020, your 2016 share option will lapse (unless it lapses earlier under the UK Sharesave Plan rules or later due to missed contributions) and you will receive no value for it. Your savings will be returned to you.

Choice 3: exercise your 2016 share option before Court Sanction

You can choose to exercise your 2016 share option between now and a date that will be five Business Days before Court Sanction.

You will have the usual choices for the Inmarsat Shares you receive on exercise – keep them or sell all. If you sell any of the Inmarsat Shares before Court Sanction, you will receive the prevailing market price for them but, if you retain any and still hold them when Court Sanction takes place, these will be bought automatically by Bidco under the Acquisition for USD 7.09 in cash for each Inmarsat Share.

Notes:

- **If you exercise before Court Sanction you will not receive the additional cash compensation explained at question 7 below.**
- **For both Choices 1 and 2, if your 2016 share option exercise price is higher than USD 7.09, your exercise will not be processed and there will be no cash compensation available to you.**

To exercise your 2016 share option between now and five Business Days before Court Sanction, please submit an exercise instruction in the usual way when you are ready to exercise.

3. Do I have to pay income tax and national insurance contributions ("NICs") when I exercise?

This depends on when you choose to exercise:

Choice 1 and 3: if you choose to exercise before or on Court Sanction, you will receive beneficial tax treatment and will not have to pay any income tax or NICs on exercise.

Choice 2: if you choose to exercise after Court Sanction and before 31 January 2020, you will not qualify for beneficial tax treatment and you will need to pay income tax on the "gain" you make. The gain is the difference between the market value of the Inmarsat Shares when you receive them on exercise and the price you paid for them. We expect the market value of an Inmarsat Share to be the same as the cash consideration due to you from Bidco. You will not be subject to NICs.

Please see the Tax Summary for more detail on the tax treatment of 2016 share options.

4. How do I pay the income tax?

Your employer has agreed to withhold income tax on 2016 share options so that you do not have to deal with the tax yourself. Any tax that your employer has agreed to deduct will be deducted from the cash consideration payable to you by Bidco for the Inmarsat Shares you receive on exercise.

5. If my Inmarsat Shares are bought by Bidco, when will I receive my cash consideration after I exercise my 2016 share option?

For Choice 1, you will receive the cash consideration through your payroll in the next practicable payroll after the cash consideration has been paid by Bidco.

For Choice 2, please note that exercises will be processed in batches, usually on a monthly basis. You will receive the cash consideration through your payroll (less any income tax which your employer has agreed to withhold) in the next practicable payroll after your 2016 share option exercise has been processed.

However, please note that for both Choices 1 and 2, if you elect to receive the cash consideration in USD (see question 6 below) your cash consideration will not be paid through payroll and will be paid to you directly.

For Choice 3, if you still hold the Inmarsat Shares received from your 2016 share option on Court Sanction, the cash consideration will be paid to you by Bidco within 14 days of the Effective Date.

6. Will I be able to choose which currency I receive the cash consideration in?

For Choice 1 and Choice 2, you will receive the USD 7.09 per Inmarsat Share in GBP unless you elect to receive the USD 7.09 per Inmarsat Share in USD. If you wish to elect to receive the USD 7.09 per Inmarsat Share in USD, please contact shareplans@inmarsat.com.

For Choice 3, if you still hold the Inmarsat Shares received from your 2016 share option on Court Sanction, you will receive the USD 7.09 per Inmarsat Share in USD unless you elect to receive the USD 7.09 per Inmarsat Share in GBP. The Scheme Document sets out how to make an election to receive the USD 7.09 per Inmarsat Share in GBP.

7. Will I receive any compensation?

No, for Choice 3.

Yes, for Choices 1 and 2. Bidco has agreed to pay you a cash amount that reflects the number of additional Inmarsat Shares you would have received had you been able to save for another six months. We will take the total number of Inmarsat Shares under your 2016 share option, divide that number by 36 and then multiply it by 6. This number of Inmarsat Shares will then be multiplied by the difference between USD 7.09 and the exercise price of your 2016 share option to give us the compensation amount payable to you.

The compensation amount will be paid through your payroll in the next practicable payroll after you exercise your 2016 share option (less income tax and NICs). Please see the Tax Summary for more detail. If you do not make Choice 1 or 2 and exercise your 2016 share option, you will not receive the cash compensation.
